Balance due £.....**by cash, card or BACS one week before party or in cash on day of party please.**

We provide 3 coaches to direct the children in the gym, you provide party food to be eaten in the 40 minutes after the time in the gym. Due to the time constraints and the fact that there may be another party immediately after yours, we suggest simple food, cake and drinks.

**We ask you to leave promptly and take all rubbish with you as there will be another party after yours. Clearing up is withing the 1.5 hours – if this overruns there will be an extra charge of £15.00 to cover staff hours**

If there will be more than 25 children we require £5.00 per additional child - minimum of £10.00. Children attending should be in suitable clothing with no jeweller, long hair tied back and should bring socks.
